

# Potters Guild of Baltimore

## *Potters Guild of Baltimore Membership Information*

Thank you for your interest in the Potters Guild of Baltimore. Membership to the guild is a juried process. We the guild members welcome new applicants two times per year: March and September.

Attached is an application for membership in the guild. Please return this completed application with 4-5 examples of your work to the guild at least two days before the meeting. You may also bring a CD of images or printouts in addition to the physical work, but these are optional. The Guild members would like to see some examples of your work, and will not consider any application without sample pieces to be displayed for jury. Sets will be considered a single item. Samples of your work must show evidence of proficiency and craftsmanship. We request that all submitted work be picked up with one week of notification of acceptance or rejection.

Membership benefits include selling your work in the gallery and any guild exhibitions, the use of the studio facilities with 24 hour access, personal display space, designated shelf and discount on classes and materials. Members will have certain obligations to the guild, they include shop-sitting the gallery (usually once per month), paying all dues and fees on time, attending members meetings (at least three per year) and working on a committee. Membership dues are \$350 per year in January (which will be prorated based on the date you are accepted).

If you are accepted, membership for the first year will be probationary dependent on your fulfilling guild duties. After one year of membership each member is asked to purchase stock in the amount of \$200. This stock will be held in escrow until you leave the guild at which time the guild has one year from date of departure to buy the stock back for the purchase price.

Thank you for your interest in the Potter's Guild. If you have any further questions please contact the Guild at 410-235-4884. Applications are also available on line at [www.pottersguild.org](http://www.pottersguild.org).
